

Welcome Friends Accept Our Hospitality

There are No Strangers Here

A Tradition of Hospitality that has been carried on since 1787 lives on here at the *Colonial Inn*. We have blended the atmosphere of the past with the comfort you would expect in a Bed & Breakfast of today.

The Colonial Inn has custom designed its rooms to provide the distinct style and décor that has become the hallmark of early America, with each room specifically created to capture the simplicity, elegance and tranquility that accompanies a simpler time, while providing you with the modern amenities to make your stay an unforgettable one.

Guests may select from eight period rooms, five of which provide a panoramic view of Lake Meone. All of our rooms have their own unique charm, private bath, climate control A/C/Heat, TV & DVD player, and much, much more.....
